2. Sector 2, Sector 3, and Sector 4 and all Lots therein are hereby made subject to all of the provisions of the Declaration as supplemented and modified by this Supplemental Declaration.

3. This Supplemental Declaration shall run with title to Sector 2, Sector 3, and Sector 4 and shall bind and inure to the benefit of the Founder, its successors and assigns.

4. Pursuant to Sections 2B and 4 of Article 10 the Declaration, the Founder hereby declares Sector 4 and the Lots located therein to be a separate District to be known as the “**Estate District**”, which Estate District shall be subject to the following new covenants, conditions and restrictions, in addition to the other covenants, conditions and restrictions set forth in the Declaration

- B. Fencing is allowed for the Lots in the Estate District so long as it is natural colored or wood. No typical silver chain-link fencing shall be allowed.

5. The following new covenants shall apply to all the Lots for the periods indicated below:

- A. It is not the intent of the Founder to burden the initial Lot Owners with excessively high annual assessments due to the low number of Lot

Owners sharing that assessment on the date of this Supplemental Declaration. Therefore, Founder agrees, for purposes of calculating the annual assessment, to assume the minimum number of developed Lots to be seventy-five (75) until the earlier to occur of the following events (the “**Interim Lot Calculation Date**”): (i) the number of Lots owned by Owners other than the Founder exceeds seventy-five (75); or (ii) December 31, 2020.

- B. The annual assessment for each Lot will be based on the budget attached hereto as Exhibit 1 (the “**Interim Association Budget**”) and will be fixed at **\$1,181** per year (the “**Interim Assessment**”) until the earlier to occur of the following dates (the “**Assessment Adjustment Date**”): (i) the Interim Lot Calculation Date; or (ii) the date that the community pool and related improvements (the “**Pool Complex**”) have been completed.
- C. In the event the Assessment Adjustment Date has not occurred by November 30, 2020, the budget for assessments for calendar year 2021 will be reevaluated based on the number of Lots owned by Owners other than Founder as of such date. The Association will then establish the annual assessment for the Lots in accordance with Section 4 of Article 7 of the Declaration to be effective January 1, 2021.
- D. In the event the Pool Complex is completed by November 30, 2018 or November 30, 2019, then the Interim Assessment to be effective on the next January 1 occurring thereafter will be the sum of (i) the Interim Assessment identified in Section 5B of this Supplemental Declaration plus (ii) the added cost of the Pool Complex based on the greater of actual Lots owned by Owners other than the Founder or seventy-five (75) Lots. An example of such calculation is shown in Exhibit 2 attached hereto. **The annual assessment once the Pool Complex is completed will be a minimum of \$2838 for 75 Lots.**
- E. Following the Assessment Adjustment Date, increases to the annual assessment for the Lots will not exceed 105% of the prior year’s assessment for the Lots.
- F. In the event of any conflict between the terms of Section 4 of Article 7 of the Declaration and this Section 5 of this Supplemental Declaration, the terms of this Section 5 of this Supplemental Declaration shall control.

6. In the event of any conflict between the Declaration and this Supplemental Declaration, the provisions of this Supplemental Declaration shall control.
